Information Concerning the Air

Groom Lake, Nevada**

September 13, 2002

Presidential Determination No. 2002-30

*Memorandum for the Administrator of the
Environmental Protection Agency, the
Secretary of the Air Force*

Subject: Classified Information Concerning
the Air Force's Operating Location Near
Groom Lake, Nevada

I find that it is in the paramount interest of the United States to exempt the United States Air Force's operating location near Groom Lake, Nevada, the subject of litigation in *Kasza v. Browner* (D. Nev. CV-S-94-795-PMP) and *Frost v. Perry* (D. Nev. CV-S-94-714-PMP), from any applicable requirement for the disclosure to unauthorized persons of classified information concerning that operating location. Therefore, pursuant to 42 U.S.C. 6961(a), I hereby exempt the Air Force's operating location near Groom Lake, Nevada, from any Federal, State, interstate or local provision respecting control and abatement of solid waste or hazardous waste disposal that would require the disclosure of classified information concerning the operating location to any unauthorized person. This exemption shall be effective for the full one-year statutory period.

Nothing herein is intended to: (a) imply that in the absence of such a Presidential exemption, the Resource Conservation and Recovery Act (RCRA) or any other provision of law permits or requires disclosure of classified information to unauthorized persons; or (b) limit the applicability or enforcement of any requirement of law applicable to the Air Force's operating location near Groom Lake, Nevada, except those provisions, if any, that would require the disclosure of classified information.

The Secretary of the Air Force is authorized and directed to publish this determination in the *Federal Register*.

**Remarks Following a Meeting With
Congressional Leaders and an
Exchange With Reporters**

September 18, 2002

The President. Listen, I want to thank the Vice President and the leadership of the Congress for coming down for breakfast today. We had a really good discussion about our common concerns. The leadership is committed to moving important legislation forward, legislation that will help expand our job base. We talked about the energy bill. We talked about terrorism insurance. We talked about the defense appropriations. We talked about the appropriations process.

We also talked about Iraq. We talked about the fact that Saddam Hussein has stiffed the United Nations for 11 long years and that, once again, he said—made some kind of statement, trying to take the pressure off of himself. This statement about unconditional inspections was something he's made
